

Testing & Laboratory Resources Directory

The following is a resource directory of firms that provide microbial and chemical (including allergen) testing services or kits for items such as: agricultural inputs (agricultural water, soil amendments), product testing (raw materials, ingredients, in-process and finished product), environmental monitoring, pesticide residue and other analytical services that you may find helpful in your business to validate or verify the safety of food products, processes or procedures.

DFA of California, Sacramento, CA, USA

Contact: Stacey Mansell

Tel: 916.561.5900 EXT108

Email: staceym@agfoodsafety.org

Website: <https://dfaofca.com>

Description: Allergen testing, quantitative and qualitative pathogen detection, microbial testing, pesticide residue testing, FDA detention sample analysis, heavy metal testing

Food Safety Net Services, San Antonio, TX, USA

Contact: John Bellinger

Tel: 888.525.788

Email: john.bellinger@fsns.com

Website: www.food-safetynet.com

Description: Quantitative and qualitative pathogen detection, microbial testing, pesticide residue testing, HACCP verification testing, process and product validation & MRL testing

Xgenex, Vendera Beach, FL, USA

Contact: Jim Byron

Tel: 484.356.7283

Email: jb@xgenex.com

Website: <http://www.xgenex.com>

Description: Microbial testing, pesticide residue, chemical testing, FDA detention sampling and document preparation, processing & irrigation water testing

Anresco Laboratories, San Francisco, CA, USA

Contact: David Eisenberg

Tel: 800.359.0920

Email: info@anresco.com

Website: www.anresco.com

Description: FDA detention clearance, microbial testing, validation of food safety programs (e.g. for compliance with HACCP), heavy metal testing

Covance, Madison, WI, USA

Contact: Ian Bessell

Tel: 561.790.3804

Email: ian.bessell@covance.com

Website: www.covance.com

Description: pesticide residue and heavy metals analysis, nutritional labeling, product and process development, process authority, root cause analysis, harborage site investigation, regulatory response support, HACCP training, FSMA training, and development

Eurofins GCL, Santiago, Chile

Tel: +56 22 2400 454

Email: rodrigorivera@eurofins.com

Website: www.eurofins.com

Description: Sensory evaluation, FDA detention clearance, pesticide residue analysis and MRL verification

Neogen Corporation, Lansing, MI, USA

Contact: Andy Bohannon

Tel: 800.327.1619 EXT 2371

Email: abohannon@neogen.com

Website: www.neogen.com

Description: Allergen testing, hygiene & sanitation, rapid pathogen detection, and water test kit (EPA-approved selective and differential medium to detect total coliforms and *E. coli* in water)

NSF International, Ann Arbor, MI, USA

Contact: Amber Berish

Tel: 734.827.5697

Email: foodsafety@nsf.org

Website: www.nsf.org

Description: Analytical and microbial testing, customized sanitation monitoring, source tracking and consultation/validation on cleaning processes

PPECB, Panorama, West Cape, South Africa
Contact: Tina Louise Rabie
Tel: +27 21 930 1134
Email: tina-lousier@ppecb.com
Website: www.ppecb.com
Description: MRL testing, pesticide residue testing

PrimusLabs, Santa Maria, CA, USA
Contact: Adam Hughes
Tel: 805.922.0055
Email: Adam.hughes@primuslabs.com
Website: www.primuslabs.com
Description: Pesticide residue testing, FDA detention clearance, microbial, water analysis, field testing, finished product testing and environmental cleanliness

SCS Global Services, Emeryville, CA, USA
Contact: Ned Halaby
Tel: 510.452.6822
Email: nhalaby@scsglobalservices.com
Website: www.scsglobalservices.com
Description: Sensory evaluation, FDA detention clearance, pesticide residue analysis and MRL verification
