

## Second Harvest Food Bank

Second Harvest Food Bank of New Orleans is very excited to work with PMA exhibitors to help so many people in need. In 2019, PMA exhibitors donated over 225,000 pounds of produce to regional food banks.

Exhibitors may do their part to contribute by marking the product that they would like to donate with the provided Food Bank stickers. Any product properly labeled by exhibitors will be delivered to the food bank on a daily basis beginning on Thursday.

- **Food bank stickers** can be obtained from the GES Servicenter, from a PMA Floor Manager, or from the Show Management Office.
- Label all donated product and place it in the aisle in front of your booth. On show days, please do not place donated product in the aisle **until after show hours**. At 4:00 PM on Saturday, prepare your donated product for pick-up. Do not place your donated product in the aisles **until the carpet is removed**.
- If you place Food Bank stickers on loose product (not boxed) in the aisles or in your booth, you may be charged an hourly labor packing and removal fee.
- Product not removed from refrigerated storage by noon on Saturday will automatically be donated to the food bank. If you need your product removed for outbound shipping, you must notify the GES Servicenter before noon on Saturday.
