

COMMITTEES OF JURISDICTION A CHEAT SHEET

The first stop for a legislative proposal in Congress is with the committee of jurisdiction. Here, a proposal may receive hearings where a bill is debated before coming to a vote before the committee, and then ultimately the full House and/or Senate. Accordingly, during our legislative fly-ins, we often meet with the leadership of these committees to ensure support for our key legislative areas. Below you will find a cheat sheet on the committees of jurisdiction for International Fresh Produce Association priority areas.
